BOARD OF TRADE OUTING

ALL-DAY PROGRAM CARRIED OUT AT

RIVER VIEW.

Number in Early Crowd Surpasses Ex-

and Their Gnests.

The annual outing of the Board of Trade

oday at River View is being enjoyed by

an unusually large number of the mem-

bers of that organization. This year a de-

parture was made from the usual custom

and arrangements were made for an all-

day affair instead of spending part of a day

as heretofore. It was evident from the

large number that left on the morning boat

at half-past 10 o'clock that the change was

a popular one. One hundred and twenty-

eight of the busy men of the city gave up

business and indulged in a holiday. It was rather surprising to Mr. John Joy Edson.

the president of the board, who favored

making the experiment, that it received

such general sanction, but he was gratified,

and so was Mr. W. P. Van Wickle, the efficient chairman of the committee in charge of the arrangements.

BUSINESS MEN'S LEAGUE HOLDS, A SPECIAL MEETING.

General and Personal.

Evening Star Bureau, No. 701 King Street, Bell Telephone No. 106. ALEXANDRIA, Va., May 11, 1901. The Business Men's League held a special meeting last evening in the rooms of the organization for the purpose of dis-

pointed to consider Mr. Paff's preposition, pointed to consider Mr. rail's preposition, together with any others that might be presented. The following were named to constitute this committee: George R. Hill, M. B. Harlow, Frederick Paff, jr., R. F. Tucker, Henry F. Robertson, George D. Hopkins, C. C. Leadbeater, Luther H. Thompson and William H. May. The clairman of the committee was authorized to appoint others if he saw fit. The need of a new fire engine in the city

fire department was presented by C. C. Leadbeater, who stated that one of the two fire engines now owned by the city was in the repair shop nearly all the time. Messrs. Leadbeater, Zimmerman and Hopkins were appointed a committee to draw up suitable resolutions to be presented at the next meeting, with a view of bringing the matter before council. All arrangements have been perfected for

receiving and entertaining the delegates to the 106th annual council of the diocese of Virginia. Protestant Episcopal Church, which will convene in old Christ Church Wednesday next at 10 a.m. The principal business of the council will be the election of delegates to the general convention to be held in San Francisco, Cal. Bishops Whittle and Gibson will attend the council. Active preparations are being made by the local lodge of Red Men to entertain the delegates to the annual meeting of that fraternity, which will be held in this city

the 15th instant. A committee from the Columbia Fire En-gine Company will wait upon council at the next meeting of that body and ask for an appropriation of \$100 to be used toward defraying the expenses of a trip to West-minster, Md., June 12, to participate in the firemen's convention to be held in that city. A large audience assembled at the Opera House last evening and liberally applauded the performance, entitled "Old Plantation Melodies," rendered for the benefit of Grace Episcopal Church. Among those who par-ticipated were Miss Rebekah Pollard, Miss Bertha Woodward, Messrs, George H. Evans, Maurice Wilkins, A. B. Griffith, Horatio Rench, George H. O'Connor and others. Sherman Fowler was accompanist and Frank Field director.

The remains of Frederick Idenson, whose death occurred at Staunton Va. Thursday.

death occurred at Staunton, Va., Thursday, have been brought here for interment. Deceased was a son of the late August Iden son of this city, and was well known here. He was unmarried. The funeral will take place tomorrow afternoon

How a Great Fortune Was Won. A rémarkable and most convincing illustration of the value of extensive newspaper advertising is afforded in the business success of Mr. C .I. Van Houten, who died recently in Algiers, and who had justly won the title of Prince of Cocoa Manufacturers. The house of Van Houten began business in Weesp, Holland, in 1817, having been launched on its great career by the father of the late proprietor. But it was the son, who, by his skill, energy and inventive genius, brought the business to its present proportions. He had faith in the potency of printer's ink, and at one time advertised to the extent of \$1,000,000 a year. Novelty was constantly sought and every means adopted for keeping the name conspicuously before the public. In the first advertising done in the United States, merely the name was displayed. People wondered what it signified, and some even suspected that all was not right with a certain advertising manager. next month the familiar phrase, "Best and goes farthest," appeared. This caused the reader to become only the more inquisitive. Some thought it was baking powder. Everybody tried to solve the riddle. The third month brought forth the name of the article. Thus had it been thoroughly adver-tised and its sales given an impetus in a unique out an effective manner.

In 1889 the house was authorized by royal decree to assume the name "Royal Cocoa Factory." The factory, which covers an

While the members, who were in many instances accompanied by friends, were coming on board the members of the committee of arrangements were looking after the details and seeing that the plans were being carried out. In addition to the chairbeing carried out. In addition to the chairman, the other members, all of whom were on board, were George W. Evans, Charles F. Nesbitt, E. H. Droop, E. T. Bates, James R. Keenan, E. H. Neumeyer and Robert Cook. Besides the hampers which were carried aboard containing the material for the luncheon to be served after the arrival of the boat there were base ball bats, quoits and other implements, so that those who were inclined to indulge in athletic

who were inclined to indulge in athletic sports could be given the opportunity. Additions to the Number. The second boat left about 2 o'clock, and brought to the grounds about 400 men, and when dinner was served at 4:30 o'clock places were provided for 500 diners. The party will return to the city about 8

Among those who went down on th

Gude, Carl F. Smith. the organization for the purpose of discussing plans to secure the location of manufacturing plants in Alexandria. In the absence of President Harlow, George R. Hill was elected chairman pro tem. A scheme having the object of inducing manufacturers to locate here was outlined by Frederick Paff. In effect it contemplated the establishment of a building association, with a certain number of shares at \$1 per share upon stated plan of operations. The share, upon stated plan of operations. The matter was discussed, and upon motion of William F. Carne a committee was appointed to consider Mr. Paff's proposition.

WANT GOV. DOLE REMOVED. Both Branches Hawatian Legislature

Memorialize the President. A dispatch from Honolulu, dated May 4. via San Francisco, May 10, says: The first

territorial legislature of Hawaii came to an end on the evening of April 30, according Governor Dole, and on the next night. according to the majority of both houses. The legislature ended its existence at loggerheads with the governor all along the line and without having passed a single one of the important measures to which one of the important measures to which the home rulers were committed, except the county government act, which the governor killed by a vest-pocket veto.

The last act of the house on the evening of the 30th was to pass a concurrent resolution containing a memorial to President McKinley, asking for the removal of Governor Dole. He is charged with having hindered the work of the session by his hostility toward the legislature, withholding information and reports that were called for, and refusing to co-operate with the law-makers. The President is asked in the resolution to use his influence in behalf of an extra session of the legisla-ture to transact general legislation, which Dole refuses to grant.

Other Reasons for Removal. The Hawaiians claim they have not had time in which to work out the plans of law-making they had formed in the thirty days of the regular session. In conclusion, the home rulers ask that Dole be removed if the President sees no other way to bring about an extra session of the territorial legislature, declaring that the governor has acted in such a manner as to lose the confidence of a majority of the people of the territory and charging that he has not dealt fairly with the home rule legislature.

The concurrent resolution passed through

both houses by large majorities, all the native home rule members voting for it. Governor Dole created a sensation in both houses by informing the committee sent to him to ask for an extra session that to him to ask for an extra session that one of his reasons for not granting an extra session was that he had been reliably informed that bribery was taking place. Both houses passed a resolution demanding proof. In reply the governor stated that general charges of bribery had been made in the local papers and on the floor of the senate, but had not been investigated, in spite of the appointment of committees to look into them, and that the matter was being investigated by the government with a view to punishing the government with a view to punishing the offenders if evidence against them could

be obtained.

The governor has issued a proclamation calling for an extra session for appropria-tion bills only, to commence May 8. Circuit Judge Humphreys is about to call a special grand jury to investigate the charges of bribery in the legislature.

STRIKES THE SOURCE A PILE CURE THAT GOES TO THE BOOT OF

THE DISEASE. There are lots of lotions, oils and salves that will, through their soothing influence, relieve temporarily the pain incident to piles. But is that thought to realise that the ease is only temporary and the disease goes on under the surface without a moment's interruption? Wouldn't it be wise to select a remedy that seeks the source and reg ulates those deep-seated disorders which induces the disease? Pyramid Pile Cure not only relieves the pain at once, but effects a permanent cure of the worst form of piles.

You don't have to go through a tedious course of dieting while using it either. It strikes through those delicate membranes and tissues and sets the blood in healthful circulation, reducing at once the painful inflammation and congested tumors.

This remedy is not a haphasard combination of

area of eighty-five acres, employs 3,500 people, the balance of the population of Weesp, 6,000, having been at some former time identified with the institution. This drugs, but is a remedy invented by specialists who have treated plies and blood disorders successfully for years. Manufactured by the Pyramid Drug Co., at Marshall, Mich. Almost any first-class druggist has it on sale.

loyalty on the part of employer and em-ploye tells a rare story of mutual regard. The children have no thought of ever get-ting employment elsewhere. The city pos-Don't treat this disease with every lotion and salve that comes along. Remember the parts affected are among the most delicate in the human body. This remedy is absolutely safe and no one sesses all the advantages of other places of its size—theaters, schools, hotels, etc., but everything is owned or controlled by the house of Van Houten, and no other factory is to be seen in the town.
